my own way of talking 	listen to me 	I can ask 	my choice 	no 	I don't understand 
I need more time 	I don't like that 	respect 	talk to me 	join in 	I can say no 
I need support 	I agree 	say it again 	that's not okay 	answer me 	friends 
my feelings 	my AAC always 	I disagree 	what does that mean	need a break 	explain it to me 
my opinion 	yes 	tell me why 	wait for me 	all done 	stop
